Duke 2

MADE IN SWEDEN

Duke 2

Heritage
series

Small can often be beautiful. And the sound that the Duke delivers, despite its diminutive size, is beautifully rich and smooth, covering frequencies down to 38 Hz.

In fact, it sounds as outstanding as the rest of the Heritage series – provided your room is not too large.

The Duke is a 2-way system, comprising a newly developed 7" ceramic bass/mid-range driver and a new tweeter, which uses pioneering technology to achieve diamond-like performance.

In our opinion it is the perfect start-up model for your first high-end system. A must for the true audiophile whose listening space isn't enormous.

The new Duke

Cell tweeter designed with the latest Accuton technology

Bass drivers with higher transparency and resolution using the latest Accuton technology

Improved crossover using leading Mundorf components

Technical specifications

Frequency range / 38-40 000 Hz \pm 3dB

Power rating / 150 W

Sensitivity / 88 dB/w/m

Impedance / 4 ohm (3.7 ohms min)

Type / 2-way ported (39 Hz)

Drive units / One 7" ceramic-unit, 1" ceramic-unit

Crossover frequency / Second order, 3000 Hz

Components / Low loss copper foil coils and silver/gold in oil capacitors

Terminals / Single-wiring WBT

Internal wiring / Jorma Design

Cabinet / 23mm veneered MDF

Dimensions WxHxD / 22 x 40 x 33 cm (8.6 x 15.7 x 12.9")

Net weight / 13 kg (28.6 lbs)

Finishes

Piano Walnut

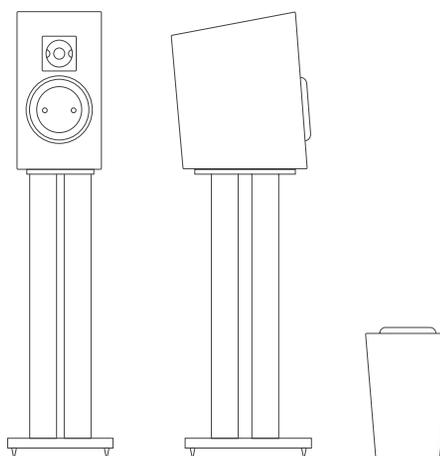

Matt Walnut

Piano Black

Please note Colours may not be a true representation of actual finish.
